

# KODA STRINGS REPERTOIRE LIST

At Koda Strings we are happy to cater our set list for you in as much detail as you would like. You can pick every song we play in advance of the event or we can choose for you based on our experience and your musical tastes, provided you brief us in advance.

This is our complete list of quartet repertoire. Please note if you decide to book solo/duo/trio some of these songs may not be available however, others will be added in their place.

If you require any special musical pieces for your event we will be happy to learn them for you.
